

## HORTICULTURE TRAINING

Successful completion of six core courses is required to obtain this certificate and will also prepare the student for the Pennsylvania Certified Horticulturist (PCH) examination, sponsored by the Pennsylvania Landscape and Nurseryman's Association. Four of the courses are listed below. Two others—Evergreen Trees and Shrubs and Landscape/Retail Business—will be offered in the fall semester. Individual courses are open to all; pursuit of Certificate not required.

### Principles of Horticulture

Introduces the professional landscaper or home gardener to plant growth and physiology, basic botany and reproduction, soil and water requirements, propagation and transplanting, site selection, and mulching and composting techniques. (No class 3/19)

**CAR 3847 / Length: 8 wks.**

**Cost: Spon. \$149; Non-spon. \$189**

CRN	DAY	DATE	TIME	LOCATION
2973	R	1/29 - 3/26	6:00 PM - 8:00 PM	PENN
1085	T	3/24 - 5/12	6:00 PM - 8:00 PM	Main

### Landscape Design

An introduction to landscape design/architecture. Enhance your skill in property beautification, exploring a variety of trees and shrubs, planting guides, color in foliage, topiary forms, container planting, and more. (No class 3/19)

**CAR 3511 / Length: 8 wks.**

**Cost: Spon. \$149; Non-spon. \$189**

CRN	DAY	DATE	TIME	LOCATION
948	R	2/5 - 4/2	8:05 PM - 10:05 PM	Main
2974	R	3/26 - 5/14	6:00 PM - 8:00 PM	PENN

### Deciduous Trees and Shrubs

Learn the cultural characteristics of flowering trees and shrubs indigenous to the Mid-Atlantic area, and discuss how to prepare, plant, and care for them in the landscape. (No class 3/19)

**CAR 3875 / Length: 8 wks.**

**Cost: Spon. \$149; Non-spon. \$189**

CRN	DAY	DATE	TIME	LOCATION
1079	T	2/5 - 4/2	6:00 PM - 8:00 PM	Main

### Herbaceous Perennials

Presents detailed information about selected species from 75 genera grown in the Mid-Atlantic area. Covers planning, preparing and caring for a perennial garden.

**CAR 3874 / Length: 8 wks.**

**Cost: Spon. \$149; Non-spon. \$189**

CRN	DAY	DATE	TIME	LOCATION
1078	T	3/24 - 5/12	8:05 PM - 10:05 PM	Main

## INTERIOR DECORATING

This three-course program is for individuals contemplating entry into the design industry, or those wanting to make the best decisions for their home interiors. Courses are open to all; pursuit of Certificate not required.

### Introduction to Interior Decorating and Layout

Explore floor plans and layouts, furniture, fabrics, flooring, window treatments, lighting, color, finishes, and accessories. Students may need to provide additional materials. (No class 3/17)
