ICS-304 • 12-Hour
SAFETY OFFICER WORKSHOP

The Delaware County LEPC in conjunction with the Delaware County Community College Institute for Public Safety and Emergency Preparedness is offering a 12-hour workshop for the Safety Officer at emergency events.

Friday Evening, November 14, 2014 • 5:30 p.m. - 9:30 p.m.
and Saturday, November 15, 2014 • 8:00 a.m. - 5:00 p.m.

Delaware County Community College
Institute for Public Safety and Emergency Preparedness

DCCC in Room 2246

The course is dedicated to the Safety Officer’s Role and Responsibilities in an emergency, their place in the Command Structure as well as the Planning Process and their strategic and tactical investment in providing for the safety of responders and the public.

Safety Officer Workshop Will Review:

- The Safety Officer’s role in emergency response.
- Establishing command in safety along with supporting the planning process and development of a site safety plan.

Lunch will be provided.

For agenda and expanded descriptions about seminar topics, visit: www.dccc.edu/emergencyinstitute/

Pre-registration is required. The class is limited to 30 participants – so register soon. Please call 610-723-2008 to register.
