All applicants must meet the admissions criteria as stated in this packet before a seat in the program or a position on the wait list can be awarded. Seats are awarded on a first come, first qualified basis.

The Surgical Technology courses begin each fall semester and are offered during the daytime only. (See page 13.)

All petitions and supporting documentation must be received at the Marple Campus (Media, PA) no later than Thursday, July 11, 2019, at 12 Noon to be considered for a seat in the program or a position on the wait list.

Petitions and/or supporting documentation submitted after July 11, 2019, will not be accepted. The information in this packet will expire on July 11, 2019.

Grades for courses scheduled for the 2019 Summer II Session will not be available by the petitioning deadline. The Surgical Technology (ST) Program at Delaware County Community College (DCCC) has a unique, two-part application process that is required for all Surgical Technology candidates. In order to be considered for admission into the Surgical Technology program, applicants must complete the items listed in PART 1/General Admission.

Once the general admission process is complete, a candidate may proceed and complete the items in PART 2/Special Admission and petition for the College’s ST program. Be certain to distinguish between general admission and special admission. Both application processes must be completed correctly in order for the candidate’s petition to be considered.

Opening and closing deadlines apply to the petitioning process (See page 1.) Both PART 1 and the items in PART 2 must be complete **before a candidate can submit their petition for consideration.** Note: Personal letters of recommendation and character references are not considered towards admission.

### PART 1

**General Admission**

General Admission is the first step required for consideration into the Surgical Technology (ST) program. This process will provide students with acceptance to the College and access to register for non-clinical classes, but not to the actual clinical portion of the program.

1. Complete and submit a general admission application to the Admissions Office. Indicate on the application the intention to apply to the College’s ST Program by choosing HSTU (Health Studies) as a major code. Being accepted into HSTU does not guarantee nor imply special consideration for acceptance into the actual ST Program. (See Requirement #1, page 3.)

2. Demonstrate college readiness in English & mathematics. (See Requirement #2, page 3).

3. Transfer previously earned college credits into Delaware County Community College. (See Requirement #3, page 4.)

4. Submit an official, final copy of high school documentation. (See Requirement #4, page 4.)

5. File the Free Application for Federal Student Aid (FAFSA). (See Requirement #5, page 5.)

6. Attend a [SURGICAL TECHNOLOGY INFO SESSION](#) to learn more about the program and the requirements needed to complete the petition process. Dates, times, and locations for these sessions are listed on the front of this packet.

7. Schedule general education and pre-requisite classes as part of the general enrollment process. Directions for all general enrollment processes will be detailed in the student’s Welcome Packet upon submitting an application to the College.

### PART 2

**Special Admission**

Upon completion of the general admission process, candidates can begin the second part in the process: submission of their Surgical Technology petition. Each candidate is required to **complete all requirements** to be considered for the program. Opening and closing deadlines apply. (See page 1.)

1. Verify that the College has received the required high school graduation documentation. This document must be received and stored on the College’s database before a candidate can petition. (See Requirement #4, page 5, How To Verify)

2. Meet with the Program Director for Advisement. (See Requirement #6, page 5.)

3. Choose an Entrance Option and properly complete the requirements for that option. (See Requirement 7, page 6.)

4. Obtain and electronically store all three clearances on Castle Branch. Note: Photocopies of all three background clearances: FBI, Child Abuse & Statewide Criminal PA Report must also be submitted at the time of petitioning. (See Requirement #8, page 7 & 8.)

5. Maintain a Delaware County Community College overall minimum GPA of a 2.0 or higher from the time of petitioning to entrance into AHS 100 & 101. (See Requirement #9, page 9.)

6. Be in compliance and in good standing with the College’s Code of Conduct. (See Requirement #10, page 9.)

7. Provide proof of residency via a valid, current, legible photocopy from the approved list of documents. (See Requirement #11, page 9.)

8. Submit your petition form and all required photocopied documents in-person to the Admissions Office/Marple Campus. (See Requirement #12, page 13.)
All admission requirements listed on the following pages must be completed before a seat in the program or a position on the wait list can be awarded. Please note, the program often fills prior to the deadline. Therefore, the Admissions Office encourages candidates to complete and submit all requirements as soon as possible once the petitioning period opens.

#1 APPLY FOR GENERAL ADMISSION

Complete a Delaware County Community College application for admission. Current students, those enrolled or currently registered for classes, do not need to apply to the College again. If you previously enrolled at the College and stopped attending for one year or longer, you must submit another application and indicate that you are applying for readmission. It is important to note that acceptance to the College does not guarantee acceptance into this special admission program.

#2 DEMONSTRATE COLLEGE READINESS IN ENGLISH & MATH

All candidates must demonstrate college readiness by either 1) submitting official score reports with minimum scores achieved on either the SAT or ACT tests, (see minimum score requirements below), or 2) transferring previously earned English Composition I and/or a college level math from another college, or 3) take the College’s Placement Test and place college level or successfully complete all remedial/developmental courses.

Review the options below and proceed with the appropriate option(s) needed to meet this requirement:

WAIVE THE PLACEMENT TEST:

1. SAT OR ACT scores may be used for placement in math and/or English courses. Students should have their official scores sent to Assessment Services at Delaware County Community College. The school code for the SAT is 2125. The school code for the ACT is 3542. Scores must be current within 5 years of the student starting classes at the College. To waive the placement test, students must receive the following minimum scores:

   **English/Reading** = SAT Verbal: 500; ACT Verbal: 18
   **Mathematics** = SAT Math: 500; ACT Math: 20

   **(Please Note: The minimum scores for SAT Math will change to 530 beginning Summer I, 2019)**

2. Transfer Credits Earned: You may waive all or part of the placement test if you have successfully completed English Composition I and/or a college level math with a grade of "C" or better and have transferred those courses into Delaware County Community College. The process to transfer courses may take 4-8 weeks; please plan accordingly in order to make petitioning deadlines. See Requirement #3 listed on page 4 for directions on how to transfer college credits into Delaware County Community College.

TAKE THE PLACEMENT TEST:

Delaware County Community College’s full-scale placement test(s) are required for any student who has not completed a college-level math and/or English Composition I with a grade of “C” or better, or for those students who have not met the SAT or ACT minimum scores. Directions on how to schedule the placement test are outlined in the student’s Welcome Packet upon acceptance to the College.

Placement testing should be scheduled as soon as possible after receipt of the Welcome Packet. Students may schedule the test by contacting Assessment Services: 610-359-5322 or schedule an appointment themselves through their student portal on delaGATE.

CREDIT FOR PRIOR LEARNING

Students may be eligible to receive or earn credit for knowledge acquired through life and work experiences that are closely related to the learning objective of the College’s credit courses. This knowledge may have come through on-the-job experiences, professional workshops, non-credit classes, business or technical schools, personal study or other pursuits.

*Portfolio Development *College Level Examination Program (CLEP) *Credit by Examination
*Credit for Military Training Schools *Transfer Credits from Other Colleges *Advanced Placement

Students interested in pursuing credit for prior learning options should contact Assessment Services at: 610-359-5322.
#3: TRANSFER COLLEGE CREDITS EARNED

If applicable, submit official transcript(s) from each college and/or university attended. Send all official, final, transcript(s) to the following address:

Delaware County Community College  
901 South Media Line Road  
Media, PA 19063  
Attn: Admissions Office

Once evaluated and transferred into DCCC, evaluated credits will appear on the student’s Degree Works page marked with a “T” indicating that the course(s) were accepted in transfer. The process to transfer courses may take 4-8 weeks; please plan accordingly in order to meet petitioning deadlines.

INTERNATIONAL CREDENTIALS: If you attended a college or university outside the United States and want to transfer those credits earned into the College, you must submit a course-by-course evaluation report from an approved credential evaluation service. An approved evaluation service must be a member of The National Association of Credential Evaluation Service (NACES). A current list of members can be found at www.naces.org. Please note, English courses from foreign countries are not eligible for transfer into the College, therefore these students must take the English and reading portions of the Placement Test (see page 2 on how to schedule the Placement Test).

#4: HIGH SCHOOL CREDENTIALS

Submit a sealed, official, final document indicating successful high school graduation or its equivalency. This step must be completed by all candidates regardless of post-secondary educational experience(s). If you have been a student at the College in the past, please take note that a copy of your high school transcript may no longer be on file if you have had a gap in your enrollment with the College for a year or longer. Follow the directions on the next page to verify that this required document is on file with the College to assure that you have met this requirement. If you are in doubt about this document being on file, we recommend that you have it sent again and follow through with a verification request to the Admissions Office as noted on the next page.

CHOOSE THE SCENARIO APPROPRIATE FOR YOU and follow the directions accordingly:

1. **HIGH SCHOOL TRANSCRIPT**  
   Contact the Guidance Department of the high school where you graduated. Request an official and final transcript to be sent directly to the College. (See the College’s mailing address on next page.)

2. **GED TRANSCRIPT**  
   Contact the Department of Education (DOE) in the state where you were granted your GED. Most DOE’s offer a “Transcript Request Form” that can be accessed by using the “SEARCH BOX” on their website. **IMPORTANT NOTE:** An open copy of your GED test scores indicating that you passed the GED test or a copy of your diploma are not acceptable documents. You must order a separate, official copy of your GED transcript from the DOE and have that document sent directly from the DOE to the College to fulfill this requirement. (See the College’s mailing address on next page.)

3. **INTERNATIONAL DOCUMENTATION**  
   If you attended high school outside the United States, you must submit a document-to-document evaluation report that indicates you earned credentials equivalent to a U.S. high school diploma. This document must come from an approved credentialing evaluation service. An approved evaluation service must be a member of The National Association of Credential Evaluation Service (NACES). A current list of members can be found at www.naces.org. (See the College’s mailing address on next page.)
**DIRECTIONS:** WHERE TO SEND YOUR HIGH SCHOOL TRANSCRIPTS

Send all official, final, sealed envelopes containing the paper-copy of final transcripts/international evaluations to:

Delaware County Community College  
901 South Media Line Road  
Media, PA  19063  
Attn: Admissions Office

---

**DIRECTIONS:** VERIFY THAT YOUR HIGH SCHOOL TRANSCRIPT IS PROPERLY ON FILE

Verify that your official, final, high school transcript is properly on file with the College. To verify the receipt of this required document by the College, please email the Admissions Office (admiss@dccc.edu) with the information below. Do not telephone the College for this information, instead please email the address above with the information below:

#6: MEET WITH THE PROGRAM DIRECTOR FOR ADVISEMENT

All applicants are required to meet one-on-one with the Program Director, Jacqui Bak, for program advisement and course selection prior to petitioning to the program. To schedule an appointment with Ms. Bak, email her at jbak1@dccc.edu
All candidates must choose and fulfill one (1) of the following entrance requirements prior to the July 11, 2019, deadline to be awarded a seat in the 2019 Surgical Technology Program or a position on the wait list.

**OPTION ONE: TESTING (ACT or SAT)**
Candidates can opt to take and submit the following minimum ACT or SAT scores prior to the July 11, 2019, deadline. Please note: Scores must be current within five years of beginning clinical work therefore, taken September 2014 or after.

**ACT Composite – 17 or higher OR SAT – 830 or higher**

For students taking the SAT with writing section and total score value of 2400, only the math and critical reading sections (not the writing section) will be used in calculating the score requirement of 830 or higher. To schedule the ACT or for more information regarding the test, call Assessment Services: 610-359-5322.

**OPTION TWO: COURSE CREDIT (COMPLETE FIVE COURSES)**
Achieve a “C” or better and a cumulative GPA of 2.5 or higher in all five (5) of the following courses. Please note, the GPA will be calculated using only the following five (5) courses below:

1. English Composition (ENG 100) 3 credits

   (Note: AHM 104/105 have pre/co-requisites of AHM 233, Medical Terminology)
5. Applied Microbiology (AHM 220) 1 credit

If you plan to qualify with the Course Credit Option, all five (5) courses listed above must be completed and the grades posted on delaGATE and/or transferred into the College via the directions outlined in Requirement #3, page 4, before the petition can be considered complete. All pre-requisite courses must be completed by the prior to petitioning. No petition will be accepted beyond July 11, 2019.

**Important Note:** Candidates must complete all required courses no later than the end of the Summer I Session ending June 26, 2019. Course grades for classes taken in the 10-week Summer 1 Session format and the Summer II Session will not be available by the deadline.

Students choosing to submit courses completed at other colleges/universities to fulfill this Course Credit Option should note that their GPA will be recalculated according to the College’s grading system and credit value for admissions purposes only. That recalculation will be conducted using all five of the “Credit Option” courses taken.

According to College policy, students may only repeat a course to improve their grade point average if the initial grade was “D”, “N”, “W”, or “F”. Please see the College’s Student Handbook for more information:
http://www.dccc.edu/studenthandbook

### DIRECTIONS: CALCULATE GRADE POINT AVERAGE (GPA) ON PRE-REQUISITE COURSES

1. Determine the points earned in each course. Must earn a “C” or better. (A=4 points, B=3 points, C=2 points).
2. Multiply the number of credits by the number of grade points for each course to determine the quality points.
3. Divide the sum of the quality points by the total number of credits.
4. The result is the GPA for the pre-requisites.

The fee for this service is $39.00 payable to Castle Branch. The fee includes the cost for the Statewide Criminal PA Report which will automatically be posted on the student’s myCB/CP account. Once the order has been placed, students may use their login to access additional features including document storage, portfolio builders and reference tools.

Criminal Convictions

All Surgical Technology applicants are required to submit a PA Criminal History Report, Federal Criminal History Report (FBI) and a Child Abuse Clearance report. An applicant with any history of conviction of a misdemeanor or felony crime or pending charges [any criminal misdemeanor or felony charges as yet unresolved by the courts] cannot be placed in the position of working in a health career environment and may not petition for acceptance to the Surgical Technology Program.

Students who are not free of convictions of a prohibitive offense prior to petitioning may not be able to complete their studies because clinical experiences needed for course/program success may be prohibited. If a student cannot complete their clinical studies, they will not be accepted into the Surgical Technology Program.

NOTE: Once awarded a seat in the program, due to health care providers’ policies, the College requires a drug screening for all newly accepted students prior to beginning their clinical experiences. If you are awarded a seat in the program, you will receive more detailed information on this requirement at a special College Planning session.

#9: MAINTAIN A MINIMUM OVERALL GPA = 2.0

At the time of petitioning and through the start of AHS 100 and AHS 101, students must meet and maintain an overall minimum grade point average (GPA) of a 2.0 or higher for all college course work completed at DCCC to be considered for a seat in the program or to be offered a position on the wait list. If the student’s overall GPA falls below the minimum 2.0 requirement at any time, the offer of admission to the Surgical Technology program or the position on the wait list will be revoked and they will not be permitted to register for, or begin, AHS 100 and AHS 101.

#10: CODE OF CONDUCT

Be in compliance and in good standing with the College’s Code of Conduct as defined in the Student Handbook. Students must be in good disciplinary standing with the College to be considered a candidate for the program. Students who have outstanding sanctions or violations filed with the Office of Student Affairs will not be admitted to the program. If your standing at the College falls below Good Standing at any time after you are admitted to the program, or are offered a position on the wait list, your offer will be revoked and you will not be permitted to register for, or begin AHS 100 or AHS 101. A copy of the Student Handbook can be downloaded from: http://www.dccc.edu/studenthandbook

#11: PROOF OF RESIDENCY

Provide proof of residency via a valid, current, legible photocopy of one (1) of the following items:

1. Permanent driver’s license or State ID (Please note: Temporary update cards & duplicate licenses are not acceptable.)
2. Utility bill with your name listed on the bill. (Gas, electric, water or sewer only; cell phone bills are not acceptable.)
3. A current checking or savings bank statement with your name and current address listed.
4. A current property tax bill with your name listed on the bill.

The above-named items are the ONLY acceptable forms of proof of residency. The address listed on the proof of residency submitted must match the 1) address listed on the program petitioning form, 2) the address listed in the College’s database, and 3) the address submitted on all background clearances. The Admissions Office reserves the right to request additional proof of residency documents as necessary.
Once all the requirements have been fulfilled, submit the following remaining items below, together and in-person, at the Marple Campus (Media, PA), Admissions Office/Founder’s Hall, no later than the deadline date of July 11, 2019. Students are encouraged to complete all the requirements and petition as soon as they are fulfilled, as seats in the program are awarded first come, first qualified. The program often fills prior to the deadline date.

NO APPOINTMENT is needed to submit your petition, simply submit the paperwork at the Admissions Office on the Marple Campus.

Petitioning Hours at the Marple Campus:

- Monday through Thursday 8:30 a.m. to 7:30 p.m.
- Friday 8:30 a.m. to 3:30 p.m. (Note: The College is closed Fridays in summer.)

The three (3) items to submit at the time of petitioning are:

1. The Petition Form – last page of this packet
2. A photocopy of an approved Proof of Residency – (See page 9.)
3. Photocopies of all three clearances posted with Castle Branch - (See pages 7 & 8.)

NOTIFICATION OF THE STATUS OF YOUR PETITION

1. It can take 6 weeks to evaluate a petition. The Admissions Office will notify students by U.S. mail regarding the status of their petition. Please refrain from contacting the Admissions Department on the standing of your petition during the review period. You will be notified as timely as possible via U.S. Mail.

2. If a petition is incomplete, the candidate will be notified by U.S. mail regarding the missing items/requirements. Any missing items must be submitted by the deadline date of July 11, 2019, to be considered for a seat in the program (if any remain), or a position on the wait list.

3. The wait list is dissolved at the end of July each year. Students on the wait list are not carried over from year-to-year. Students will be notified by U.S. mail when the wait list is dissolved. If a student is interested in petitioning for a future entrance year, they must meet any new admission requirements published in the Admissions Guidelines for that entrance year.

4. Students are not permitted to defer their enrollment into the Surgical Technology Program for a future enrollment date. Students must petition again and meet all admission requirements in accordance with the policies and procedures required for the new petitioning year.

5. If offered a seat in the program, candidates are required to pay a $100.00 deposit by May 1, 2019. The $100.00 will hold a seat for the Fall 2019 program only. All previous balances due to the College must be paid in-full prior to submitting the deposit. Deposit refunds will be issued only if the student: 1) remains enrolled in AHS 100 and AHS 101 for the first three full weeks of the semester, and 2) does not have any outstanding balances due to the College at that time. If the student drops out of the program, at any time before the end of the third week, the deposit will not be refunded.
1. Qualified students will be offered a seat for the program, if one is available, after all steps have been successfully completed by the July 11, 2019, deadline.

2. Credits received for BIO 150 and BIO 151 (Human Anatomy and Physiology I & II) prior to enrollment in AHS 100 and 101 for Fall 2019 must be dated Summer I, 2014, or later to be considered current.
