Preface

Delaware County Community College (DCCC) and Delaware Valley College (DelVal) enter into this articulation agreement in order to facilitate the transfer of full-time or part-time students from DCCC to DelVal, and to expand their opportunities for academic success at DelVal. It consists of both a Guaranteed Dual Admission Transfer Agreement for students in eligible programs as detailed in Table 1, and a Core-to-Core Transfer Agreement that applies to all DCCC A.A. and A.S. graduates.

Guaranteed Dual Admission Transfer Agreement

The Guaranteed Dual Admission Transfer Agreement facilitates the transfer of DCCC students who have graduated from DCCC with an associate degree identified in this agreement and transfer into the corresponding degree programs at DelVal. Identified programs are listed in attached Table 1. Subject to the terms of this agreement, a student who completes the approved associate degree at DCCC will be guaranteed admission pending they meet all the admissions requirements, into a related bachelor's degree program at DelVal and assured third year (junior) status. The length of time required for a full-time student to complete the requirements for the bachelor's degree varies by degree program. However, in general, a full-time student can complete most bachelor's degree programs within four regular semesters, providing the student appropriately schedules and successfully completes (without repeating courses) his or her remaining courses at DelVal.

Core-to-Core Agreement

In addition, DelVal agrees to accept the general education courses embedded in the DCCC Associate in Arts and Associate in Science meeting all the requirements of its undergraduate general education requirements. This Core-to-Core Agreement applies to all DCCC A.A. and A.S. graduates, and is not limited to students who participate in the Guaranteed Dual Admission Transfer Agreement. Students who change their program of study may be required to take appropriate pre-requisite courses either at DelVal or at DCCC.
Additional Terms and Conditions for the Guaranteed Dual Admission Transfer Agreement

- Students who successfully complete the identified A.A. or A.S. degree at DCCC, complete the courses outlined on the attached program-to-program Advising Guides and are admitted to DelVal, will enter with third year (junior) status and are assured transfer credit as indicated. Courses not included on these Advising Guides will be evaluated by DelVal on a course-by-course basis.
- Students transferring to a related DelVal bachelor's degree program from an eligible DCCC associate degree program will transfer their entire associate degree and may transfer additional applicable credits up to a total of 78 college transferrable credits. This includes credits from all prior colleges and universities.
- DCCC students who do not complete an eligible associate degree from the community college will not be granted automatic admission to DelVal and must apply for admission under the regular transfer admissions process.

Additional Terms and Conditions for the Core-to-Core Agreement

- This Core-to-Core Agreement applies to all DCCC A.A. or A.S. graduates, and is not limited to students who participate in the Guaranteed Dual Admission Transfer Agreement.
- DelVal agrees to accept the general education embedded in the DCCC Associate in Arts and Associate in Science as meeting all the requirements of its undergraduate general education requirements.
- Students who change their program of study while at DCCC may be required to take appropriate pre-requisite courses either at DelVal or at DCCC.

Joint Responsibilities for Maintenance of this Agreement

- DCCC and DelVal agree to maintain and distribute information about this agreement, and any changes relevant to it, to students, administrators, faculty, counselors and advisors.
- DCCC and DelVal will assure that the appropriate personnel at their respective institutions are made aware of the agreement and any revisions thereto, and are encouraged to support it.
- Both institutions will encourage DCCC students to meet with representatives of DelVal to discuss issues related to admission, financial aid and transfer of courses well in advance of their expected date of entry.
- Both institutions agree to maintain and share outcomes data and records of the Delaware County Community College students admitted into the program to the extent permitted by law.
- Administrators and faculty from each institution teaching in the programs for which this agreement has been developed will be encouraged to meet periodically to discuss issues of curriculum and student development.
- DCCC and DelVal will jointly develop and implement marketing efforts to attract students to the program. Both institutions agree to share their logos.
The undersigned representatives of the parties, Delaware County Community College and Delaware Valley College, have executed this agreement on the dates indicated.
