DUAL ADMISSIONS AGREEMENT
BETWEEN
DELAWARE COUNTY COMMUNITY COLLEGE
AND
TEMPLE UNIVERSITY

Benefits of the Dual Admissions agreement include:

1. Guaranteed Admissions to Temple University. This agreement applies to all Temple majors except for the following competitive majors (art, architecture, music, dance, pharmacy, nursing, and health information management), which have additional admission requirements. See www.temple.edu for a full listing of majors.

2. Waiving the admission application fee.

3. Academic Scholarships:
   - Full-time: $1,000 academic scholarship to students with final 3.30-3.64 GPA; $2,000 academic scholarship to students with final 3.65-4.0 GPA;
   - Part-time*: $500 academic scholarship to students with final 3.30-3.64 GPA and $1,000 academic scholarship to students with final 3.65-4.0 GPA;

   *registered with 6-11 Temple credits per semester

   All scholarships may be renewed for up to three years with a 3.0 Temple cumulative GPA.

To qualify for the Dual Admission, students must:

2. Graduate with an Associates in Arts (A.A) or Associates in Science (A.S.), with a minimum GPA of 2.3

3. This agreement applies to all Temple majors except for the following competitive majors (art, architecture, music, dance, pharmacy, nursing, and health information management), which have additional admission requirements. See www.temple.edu for a full listing of majors.

4. Complete a “Dual Admissions Intent to Enroll” form at the time of admissions to DCCC, or before completion of 30 or fewer graded college-level credits (including any credits completed at previous institutions). Students can complete this form when meeting with Transfer Advisor. Students who have previously been matriculated to Temple University are not eligible for the Dual Admissions.

5. In final semester at DCCC you must complete Temple’s online admission application. There will be an option in the online application for you to indicate that you are a Dual Admissions student; this will waive your application fee. The deadline for Fall admission is June 1st and for Spring admission the deadline is November 1st. Note that special programs may have separate deadlines for admission.

6. Enroll at Temple within one year of graduation. Do not attend another institution of higher education between the time they graduate from DCCC and enroll at Temple.
7. Request **official transcripts** from all colleges you have attended, as well as from your high school.

8. To be considered for Dual Admissions and the scholarship, a **final transcript** reflecting degree earned and final Grade Point Average must be sent from DCCC to the Coordinator for Dual Admissions at Temple University. Students must complete the application for graduation at Enrollment Central in Founders Hall.

9. Satisfy all other regular Temple admissions requirements.

The test of the original Temple/Delaware County Community College agreement of March 16, 1998 was modified for this packet. The original agreement and signatures are on file in the DCCC Transfer Office. Changes have been made to reflect the increase in the application cost.

GEN ED-TO-GEN ED TRANSFER AGREEMENT
between
DELAWARE COUNTY COMMUNITY COLLEGE
and
TEMPLE UNIVERSITY Of The Commonwealth System of Higher Education

Delaware County Community College (DCCC) and Temple University (Temple) enter into this agreement in order to facilitate the transfer of students from DCCC into Temple, and to support their academic success in baccalaureate degree programs.

This agreement applies to students who first enroll at Temple for or after the fall 2010 semester, having received an Associate degree in one of the following programs at DCCC in or after 1970:

- an Associate in Arts (A.A.) in Communication Arts, Education, or Liberal Arts
- an Associate in Science (A.S.) in Behavioral Science, Business Administration, Computer Information Systems (as revised in 2000), Engineering (as revised in Fall 2007), Human Service, or Natural Science
- an Associate in Science (A.S.) in Science for Health Professions, if and only if the student is certified to Temple's Assistant Vice Provost for Transfer by DCCC's Transfer Office as having taken a minimum of five courses in the humanities and/or social sciences

For those students, Temple agrees to accept the general education embedded in the DCCC degrees as meeting all the requirements of its undergraduate University General Education Curriculum (Gen Ed).

Other DCCC degrees that incorporate the same requirements may be added to this agreement in the future, after the review and approval each institution considers appropriate, and by mutual consent.

Eligible DCCC graduates enrolling at Temple will be identified upon admission to Temple. Satisfaction of Temple’s Gen Ed requirements pursuant to this agreement will be noted on all pertinent student records. Gen Ed-to-Gen Ed transfer does not alter the requirements of the student's major field of study or the requirements of the student's Temple school or college. Students under the terms of this agreement will need to complete two Writing-Intensive courses at Temple. These courses will be specific requirements determined by the student's major.
DCCC graduates entering Temple under the terms of this agreement go through Temple’s normal transfer admissions process and therefore must meet all applicable Temple requirements and deadlines pertaining to application for admission, orientation and registration, and payment of tuition and fees. They will abide by the policies and procedures, and any revisions thereof, that apply to all Temple students.

Both institutions agree to:

1) Consult with each other through appropriate channels prior to implementing major changes in policy or curricula that directly affect students transferring under the terms of this agreement, and keep each other informed of any other changes of policy or curricula that affect those students.

2) Collaborate in providing students with information and academic advising about this agreement, Temple’s academic programs and requirements, and the process of transferring to Temple.

3) Exchange data and documents that will contribute to the maintenance and improvement of this Gen Ed-to-Gen Ed agreement, enhance the transfer process, and promote effective cooperation between institutions. When required by law, the institution(s) will exchange data only after obtaining appropriate permission from the student.

4) Facilitate and support consultation and collaboration between their faculties related to this agreement, general education, degree requirements, and other academic matters.

REVISION, RENEWAL AND TERMINATION OF THIS AGREEMENT

The Temple University Provost’s Office and appropriate offices at DCCC are responsible for identifying, and communicating to each other, changes in the policies or requirements of their respective institutions that affect this agreement.

This agreement will be in effect as of the date of its signing, for students entering Temple on or after June 1, 2010. It will be reviewed annually by the appropriate parties at each institution, and will be renewed automatically until superseded by a new agreement or formally terminated. Either institution may terminate this agreement at any time by written notice at least one year in advance of the effective date of termination. Should this agreement be terminated, it is understood that the termination will not apply to students already accepted to Temple University under the terms of this agreement, but not yet enrolled in classes at Temple.

DCCC and Temple understand that they shall act in an independent capacity in the performance of this agreement, and shall not be considered as employees, agents, affiliates, or subsidiaries of each other. Neither Temple nor DCCC have the right to bind or obligate one another in any manner inconsistent with or unrelated to this agreement. This agreement is governed by the laws of the Commonwealth of Pennsylvania.
The willingness of both institutions to enter this agreement in order to facilitate the transfer of students from Delaware County Community College into Temple University, and to expand their opportunities for academic success there, is indicated by the following signatures.
