Delaware County Community College
Transfer Office
3/2015 (Addendum Revised)
ADDENDUM MARCH 2015
ARTICULATION AGREEMENT
Between
DELWARE COUNTY COMMUNITY COLLEGE
and
TEMPLE UNIVERSITY OF THE COMMONWEALTH SYSTEM OF HIGHER EDUCATION
For FOX SCHOOL OF BUSINESS AND MANAGEMENT (Fall 2010 and later)

Delaware County Community College (DCCC) and Temple University (Temple) enter into this agreement in order to facilitate the transfer of students who have earned the Associate in Science Degree in Business Administration at Delaware County Community College into the Bachelor of Business Administration program of the Fox School of Business and Management at Temple University. Once students transfer to Temple University they shall be able to complete a Bachelor of Business Administration within four regular semesters of full-time enrollment, assuming that no remedial or repeated courses are needed and all applicable Temple grade and other requirements are met to the satisfaction of Temple. Specialized programs, including Actuarial Science, Entrepreneurship, and Management Information Systems, may require more than four regular semesters to complete.

Students who complete the Delaware County Community College curriculum specified in the "required course equivalencies" section (page 5) of this agreement are guaranteed the transfer credit for courses indicated in that section. Courses not listed there, but brought into Temple in transfer by a student covered by this agreement, will be granted credit according to standard Temple-Delaware County Community College equivalencies.

This agreement does not change the regular Temple policy that grants transfer credit to courses taken elsewhere only if they were completed with a grade of C or higher.

Students who transfer under the terms of this agreement are responsible for meeting requirements in their major field of study, and any other curricular requirements applying to all Temple students, that were in effect at Temple at the time of their admittance to Temple. These students will abide by the policies and procedures, and any revisions thereof that apply to all Temple students.

This agreement does not cover students who transfer from Delaware County Community College to Temple without an Associate in Science Degree in Business Administration.

Students transferring to Temple University and the Fox School for the Fall 2010 semester and after will be covered by this agreement. Students transferring to Temple University and the Fox School prior to Fall 2010 are covered under a separate agreement.

Students who take advantage of this agreement are also encouraged to sign the Dual Admissions Intent to Enroll Form.

TERMS AND CONDITIONS OF ADMISSION TO TEMPLE

1. Students entering Temple under the terms of this agreement must meet all regular Temple admissions requirements and all applicable Temple requirements and deadlines pertaining to application for admission and payment of tuition and fees.

2. Evaluation of transfer credits is based on a student's major, and the student's Temple school/college makes the final determination of which transfer credits are applicable to the student's degree program. Transfer evaluations may change for students who change majors. Whenever possible, credit is allowed for courses completed more than 10 years before the date of admission.

DCCC A.S. in Business Administration to B.S. in Business Administration Effective 2010 (Rev: 2/2015)
3. Because the Delaware County Community College Associate in Science Degree in Business Administration covered by this program-to-program articulation agreement is also approved for Core-to-Core Transfer to Temple, students under this program agreement satisfy Temple General Education (GenEd) requirements according to the terms of the Delaware County Community College-Temple Core-to-Core Transfer agreement. Their GenEd requirements are met by receipt of the Delaware County Community College A.S. degree. Developmental courses and courses for which a grade below C was received do not transfer to Temple, but having taken such courses or received such grades does not affect an otherwise eligible student’s Core-to-Core Transfer status.

JOINT RESPONSIBILITIES FOR MAINTENANCE OF THIS AGREEMENT

Delaware County Community College will maintain and distribute information about the current form of this agreement, and any changes relevant to it, to students, counselors, and faculty advisors.

Temple University's Fox School of Business and Management will keep appropriate Temple offices and staff (including the Provost's office and Admission's office) informed of this agreement, and any modifications thereto, and will be responsible for distributing information concerning any changes.

Both institutions will encourage Delaware County Community College students to meet with representatives of Temple University to discuss issues related to admissions and financial aid well in advance of their expected date of entry.

Faculty from each institution teaching in the curriculum for which this agreement has been developed will be encouraged to meet at least once annually to discuss issues of curriculum and student development.

Temple University and Delaware County Community College will collaborate on research activities that will help assess the effectiveness of this transfer program in meeting the needs of students transferring from Delaware County Community College to Temple University.

REVISION, RENEWAL AND TERMINATION OF THIS AGREEMENT

The Dean's Office of Temple’s Fox School of Business and Management and the Transfer Office at Delaware County Community College are responsible for identifying, and communicating to each other, changes in their respective courses, requirements, or policies that affect this agreement.

This agreement will be in effect as of the Fall 2010 Semester, and will be reviewed annually by the Dean's Office of Temple’s Fox School of Business and Management and the Transfer Office at Delaware County Community College, and will automatically be renewed until superseded by a new agreement or formally terminated. Revisions in the course equivalency lists may be made with the verbal consent of the representatives of the two schools; major revisions to this agreement require their signatures on a letter of agreement or a revised version of the agreement. All revisions, however, require that documentation is sent and approved by the Office of the Senior Vice Provost for Undergraduate Studies at Temple University to ensure that updates are made to the appropriate systems in order to effectively implement this agreement. Either institution may terminate this agreement at any time by written notice at least one year in advance of the effective date of termination. Should this agreement be terminated, it is understood that the termination will not apply to students already accepted to Temple University under the terms of this agreement, but not yet enrolled in classes at Temple.

Delaware County Community College and Temple University understand that they shall act in an independent capacity in the performance of this agreement, and shall not be considered as employees, agents, affiliates, or subsidiaries of each other. Neither Temple nor Delaware County Community College have the right to bind or obligate one another in any manner inconsistent with or unrelated to this agreement. This agreement is governed by the laws of the Commonwealth of Pennsylvania.

**Total:** 62-63

**Notes:**
1. Course satisfies a major requirement at Temple.
2. MAT 130 and MAT 131 can be used in place of MAT 135 and MAT 136 to fulfill the Fox requirement for Calculus and also fulfills the Quantitative Literacy requirement (QG) at Temple. Students interested in Actuarial Science should contact the Office of Enrollment Management in the Fox School for suggested mathematics courses for Actuarial Science.
3. Students are recommended to take the 1 credit lab course, BUS 221 as a supplement to BUS 220. Fox will accept the combination of DCCC's BUS 220 and 221 as fulfilling the Statistics 2103 requirement. Students transferring BUS 220 without the additional 1 credit lab course will need to complete Statistics 2103 at Temple.
4. Students who complete the A.S. in Business Administration at DCCC are included in the DCCC-Temple GenEd-to-GenEd Transfer Agreement, and therefore, have satisfied all of the GenEd requirements at Temple.

Major Requirements

Major requirements for the current academic year can be viewed at
http://www.temple.edu/bulletin/Academic_programs/schools_colleges/fox/intro/generalinfo/fox_generalinfo.shtm
Select the major from the left hand navigation bar.
Any updates for each academic year are available each June with the publication of the Bulletin.

Twenty business courses (59 s.h.) are required as part of the lower- and upper-division foundation requirements for the B.B.A. program. In addition, a minimum of six business courses must be completed in the major. In completing the courses in the major, students will become competent in understanding critical business concepts and the practice of ethical decision-making, and demonstrate both effective written and oral communication and the ability to apply critical thinking to business problems. All Fox students must take a minimum of two writing-intensive courses. One of these courses will be Business Administration 4196; the second will be a writing-intensive capstone course in the major. The writing capstone is normally taken in the students' final semester.

NOTE: Many upper-division foundation courses and major courses have prerequisites and some of these prerequisites also include grade requirements. Students are required to meet all prerequisites. Prerequisites will be strictly enforced and the school reserves the right to de-enroll students from courses when prerequisites have not been met. Course descriptions, including prerequisites, are found at www.temple.edu/bulletin/ugradbulletin/ucd/ucdtoc.html.
