Education and Paralegal degree students are covered by this agreement but will likely lose credits in transfer. Students wishing to transfer into either of these programs must achieve a "C" or better grade in any course they would like to transfer to WU.

Students in other degree programs (A.A.S, A.A. and A.S.) not listed above may transfer but may lose credits.
This agreement guarantees eligible DCCC Associate Degree graduates, admission into a related Bachelor's Degree program with junior status at Wilmington University based on the following conditions:

1. Graduation from DCCC in an eligible Associate degree program (see above)
2. Entrance at WU with a minimum cumulative GPA of 2.0. Under this articulation, a student can transfer a “D” grade unless the course has minimum grade requirements based on major. Students who have not completed an associate degree or are not participating in this articulation must have a “C” or better grade on any course they would like to transfer to WU. Students may need to retake courses with unsatisfactory grades. Students wishing to transfer into the Education or Legal Studies programs must achieve a “C” or better grade in any course they would like to transfer to WU.
3. Completing other regular admissions requirements as determined by Wilmington University (application, official DCCC transcript and official transcripts from all other institutions attended, medical form as required for full-time students).
4. Complete an Intent to Enroll form prior to completing 30 college transferable credits at DCCC.

- DCCC students may transfer up to 75 college credits to Wilmington University. Forty-five (45) credits must be taken at Wilmington University (online or on-campus); typically these 45 credits must be at the upper level (300 and 400). Students transferring to a bachelor’s degree program in a field related to their associate degree will likely transfer their entire Associate degree up to 75 credits provided all courses meet WU bachelor degree requirements. Students who change their field of study may be required to take appropriate pre-requisite courses either at Wilmington University or at DCCC.

Delaware County Community College and Wilmington University agree to the following:

OBLIGATIONS OF WILMINGTON UNIVERSITY:

1. Waive the admissions application fee for Guaranteed Admissions Students if they complete an Intent to Enroll form prior to the completion of 30 credits.

2. To support a Degree Completion transfer process that allows the full transferring of DCCC students with eligible conferred Associate degrees to fulfill Wilmington University requirements as articulated and to provide detailed transfer credit evaluations for DCCC transfer students that specify the remaining Wilmington University coursework for degree completion.

3. To conduct informational meetings and academic advising sessions at DCCC as deemed necessary.

OBLIGATIONS OF DELAWARE COUNTY COMMUNITY COLLEGE:

1. To publicize this Guaranteed Admissions Agreement to prospective students in their transfer literature/online and to inform current DCCC students of their transfer options at Wilmington University under the conditions of this agreement.
JOINT OBLIGATIONS:

1. DCCC and Wilmington University authorize this agreement to become effective with the start of the spring 2010 semester.

2. DCCC and Wilmington University will jointly develop and implement marketing efforts to attract students to the program.

3. DCCC and Wilmington University will develop, maintain and share records of the DCCC students admitted into the program to the extent permitted by law.

4. DCCC students who do not complete an Associate Degree from the community college will not be granted automatic admission to Wilmington University and must apply for admission under the regular transfer admissions process.

5. Each institution will designate a representative who will coordinate and monitor the Guaranteed Admissions program. Those representatives will communicate about program changes as needed.

6. Either institution may terminate this Agreement at any time by written notice of at least one year in advance of the effective date of termination. Should this Agreement be terminated, the termination will not apply to students already accepted to Wilmington University under the terms of the Agreement.

7. The curriculum in effect at the time a student first enrolls at DCCC will be honored by WU if the student completes an AA/AS or AAS degree and successfully transfers to WU.

8. DCCC and WU will review this articulation annually and conduct any changes as deemed necessary by both institutions. The institutions will collaborate in making these changes and both parties will be notified when/if changes are made to the articulation.

Therefore, in the interest of building on the partnership between Delaware County Community College and Wilmington University, it is agreed on this date, March 1, 2010 to create a Guaranteed Admissions Agreement between our two institutions.
