Program Description: The Liberal Arts curriculum provides the core liberal arts component of most bachelor's degree programs and prepares students for transfer to four-year colleges or universities. This program offers a course of study for students whose goal is an undergraduate degree in areas such as: education, foreign language, communications, the social and behavioral sciences, philosophy and the arts. Since curriculum requirements of other institutions vary, students should meet with a transfer advisor at DCCC to obtain information concerning entrance requirements for the specific school and program in which they are interested.

Program Outcomes:
Upon successful completion of this program, students should be able to:

- Evaluate, analyze and synthesize ideas interaction with a variety of sources.
- Use research methods and documentation skills to collect, organize and present data.
- Organize a series of logically developed ideas with a thesis leading to a reasonable conclusion.
- Employ standard English usage to present assertions in oral and written form.
- Apply critical thinking and information literacy skills to understand concepts in the arts, literature, natural and social sciences, business and mathematics.
