Working for top grades for the year that I was at Delaware County Community College allowed me to transfer with a scholarship to Temple University and admission into the Honors Program at the Fox School of Business. This set me up for a better learning experience through more challenging, holistic courses in the Honors Program, as well as a financial advantage in the long run with significantly less debt upon graduation.

Amanda Oakes studied Business Administration at the College before transferring to Temple University where she majored in Risk Management and Actuarial Science at the Fox Business School. She currently works as a Data Associate for the Clinton Global Initiative (CGI). She is responsible for housing data on CGI’s 2,800+ Commitments to Action, totaling $103 billion worth of development projects taking place in 180 countries.

Help finance your education by earning a scholarship.

Admission and Financial Aid
Open admission makes applying easy; financial aid makes it more affordable.

Vibrant Campus Life and Events
There's a club, event, sport and activity for every interest.

Convenient Locations
With nine locations in Delaware and Chester Counties, there’s a location near you.

The Arts at Delaware County Community College
Access the arts through exhibitions, performances and more.

Front Cover: Meiling Lawless
your Advantage: Online Learning

Take Courses Anytime, Anywhere

Delaware County Community College makes learning convenient by offering a variety of online courses.* Students can study from the comfort of their own homes, or in whatever environment they learn best.

Online courses are ideal for students looking to accelerate their degree completion time, learn new skills, seek a promotion or start a new career all while managing their day-to-day responsibilities. Online courses are delivered through WebStudy, a course management system that provides students with 24/7 access to classes and technical support. These classes adhere to the same rigorous academic standards as campus-based courses.

Visit [www.dccc.edu/online](http://www.dccc.edu/online) to learn more.

*Some online courses are considered hybrid courses, meaning they require some on-campus meetings or tests. Please check course descriptions for details.
Earn Credits Online Over Winter Break

The College’s popular winter session allows students to take courses over winter break and earn credits between the typical fall and spring semesters.* These intensive full-credit courses are offered entirely online.

Classes begin Friday, December 19 and end Sunday, January 18. The last day to register is Tuesday, December 16.

More Than 45 Courses Available, Including:
American Cinema (HUM 142)
American History I (HIS 110)
Composition I (ENG 100)
Contemporary Moral Problems (PHI 110)
Elementary Spanish I (SPA 101)
Elementary Spanish II (SPA 102)
English Composition II (ENG 112)
Introduction to Business (BUS 100)
Introduction to World Religions (HUM 160)
And more...

Visit www.dccc.edu/winter to learn more.

*Please note, financial aid is not available for the winter session.

The classes at Delaware County Community College fit my schedule and needs. That flexibility is very important for someone like me who is trying to make a living and earn a degree.

Meiling Lawless began as an English as a Second Language student at Delaware County Community College in 2010. With the help of the College’s tutoring services and the Career and Counseling Center, Lawless learned English and then completed an associate degree in Business Administration while maintaining a 4.0. She transferred to West Chester University in 2013, where she received a scholarship from the American Institute of CPAs and will graduate with a bachelor’s in Finance and Accounting in December. She already has a job offer with a public accounting company.
your Advantage:
Transfer Opportunities

Drexel Degree. Delaware County Convenience.

Thanks to a unique, new partnership between Drexel University and Delaware County Community College, students can complete a top-ranked Drexel bachelor’s or graduate degree on the College’s Marple Campus. Drexel at Delaware County Community College students receive twice the opportunity at a fraction of the total cost of a Drexel degree.

- Co-op experience for some programs
- Merit scholarship opportunities
- On-campus Drexel representatives available to answer questions and advise students
- Opportunity to participate in both Delaware County and Drexel student clubs, events and athletics*
- Reduced tuition and fees

To learn more or to see if you’re eligible for the Drexel at Delaware County Community College program, contact: 610-359-5223 or dcccenroll@drexel.edu.

*Except for Division I athletics

DEGREE PROGRAMS

Undergraduate
- Business Administration
- Computing and Security Technology
- Health Sciences
- Health Services Administration
- AS to BS Joint Degree in Nursing

Graduate
- Mathematics Learning and Teaching (MS)
- Special Education (MS) – Pennocks Bridge Campus only

DEGREE PROGRAMS

Undergraduate

- Computing and Security Technology
- Health Sciences
- Health Services Administration
- AS to BS Joint Degree in Nursing

Graduate
- Mathematics Learning and Teaching (MS)
- Special Education (MS) – Pennocks Bridge Campus only
Bachelor’s and Master’s Degree Completion Programs

In addition to the partnership with Drexel, the College also offers several other partnerships to enable students to complete a bachelor’s or master’s degree without leaving Delaware County Community College.

Albright University at the Marple Campus
Albright College offers accelerated degree programs in Accounting, Organizational Behavior/Applied Psychology, Business Administration, Crime and Justice, Digital Communications, Information Systems and Information Systems and Management at the Marple Campus. Albright’s program is designed to enable students to complete a bachelor’s degree one night a week over two years. The program is organized in cohorts so students move through the program with the same group of classmates. Contact: Bill Morrison, 610-566-1342 or bmorrison@alb.edu.

Saint Joseph’s University at the Southeast Center
Saint Joseph’s offers a Bachelor of Science in Liberal and Professional Studies degree completion program at the College’s Southeast Center in Sharon Hill. The program is tailored to the adult student. Contact: pls@sju.edu or call 1-877-NITE-SJU.

Additional Transfer Opportunities

In addition to the aforementioned opportunities, the College offers more than 40 transfer agreements with four-year schools in the region and beyond. Visit www.dccc.edu/transfer to learn more.

“...I really enjoyed learning at Delaware County Community College—the professors made learning comfortable. Starting at the College also helped me transition into the Albright classes because I was already familiar with the campus… I felt like I was home.

Lamont Smith earned an Associate of Science in Behavioral Science from Delaware County Community College and then transferred into Albright’s Organizational Behavior/Applied Psychology bachelor’s completion program. He completed his bachelor’s degree in May 2014 and is applying to master’s programs."
your Advantage: New Degrees

Skilled Trades, A.A.S. Degree

The Skilled Trades A.A.S. degree is designed to serve individuals with skilled trade experience who wish to advance their career into a supervisory or management role. General education and information technology credits help students to develop skills in communication, computer applications and applied science while strengthening problem-solving and critical-thinking skills necessary for career advancement.

Students may:
• Apply up to 30 credits from a trade or technical certificate completed at the College toward the Skilled Trades A.A.S. degree
• Develop a career ladder for professional advancement
• Employ general concepts and specific applications in one or more management functions relevant to a skilled trade

Concentrations in:
• Automotive • HVAC
• Carpentry • Plumbing
• Electrical • Welding

www.dccc.edu/skilled-trades
Advanced Technology, A.A.S. Degree

The Advanced Technology degree is designed to serve individuals who desire hands-on training and education for the acquisition or advancement of a technical career in areas such as:

- CNC Operations
- Computer-aided Design and Drafting
- Electronics
- Facilities Management
- Industrial Production
- Manufacturing
- Process Control

The program is flexible enough for both entry-level students and individuals with established skills who seek technical growth or advancement through continued education. General education and information technology credits help students to develop skills in communication, computer applications and applied science while strengthening problem-solving and critical-thinking skills necessary for career advancement.

Students may:

- Apply up to 30 credits from a trade or technical certificate completed at the College toward the Advanced Technology A.A.S. degree
- Advance their technical skills in order to grow in the advanced technology industry
- Learn how to select and implement project management methods to industry-related situations

www.dccc.edu/advanced-tech
I get a wonderful sense of accomplishment when a job is completed and the client is thrilled. It makes me feel like a superhero!

Diane Gabrielli discovered her love of carpentry while attending the College’s New Choices Career Development Program. Soon after, she enrolled in the carpentry certificate program. She currently works as a carpenter for Traun Contracting.
your Advantage: Diverse Programs and Course Selections

Delaware County Community College offers Associate of Art (A.A.), Associate of Science (A.S.) and Associate of Fine Art (A.F.A.) transfer degrees for students planning to complete a four-year baccalaureate program. Students can also earn an Associate in Applied Science (A.A.S.) or professional certificates for workforce preparation or career advancement.

**your Advantage:**

**Incredible Value**

Save Thousands of Dollars by Attending Delaware County Community College First

With the cost of college continuously rising, Delaware County Community College provides students with an affordable option. Earn an associate degree at the College before transferring to a four-year school and save thousands of dollars.

**Formula for Student Success**

2 years at Delaware County Community College

+ 2 years at a Transfer University

= 4 years to a Bachelor’s Degree

---

**Annual Tuition Comparison Between Delaware County Community College and Local Four-Year Schools**

- **Villanova University** (4 year private) $45,376
- **Immaculata University** (4 year private) $32,000
- **Penn State Brandywine** (4 year state-related) $13,012
- **Harcum College** (2 year private) $21,000
- **Temple University** (4 year state) $14,696
- **West Chester University** (4 year state) $6,820
- **Widener University** (4 year private) $39,052
- **Neumann University** (4 year private) $24,800

**Delaware County Community College**

Non-Sponsors (PA residents) $5,088

Sponsors $2,544*

*Residents of the 12 school districts that provide financial support for the College pay significantly reduced tuition. Those districts are: Chester-Upland, Garnet Valley (residents of Bethel Township), Haverford, Interboro, Radnor, Ridley, Rose Tree Media, Southeast Delco, Springfield, Upper Darby, Wallingford-Swarthmore (residents of Swarthmore and Rutledge) and William Penn.

**Sources:** Individual institution websites. Based on in-state residency.

**Cost Per Year:** Based on average full-time undergraduate; 12 credit hours per semester for 2014-2015 academic year (tuition only).
As a Natural Science major, Amanda Valentin was able to focus on her studies and pursue a career in pharmacy with some help from the College’s Educational Foundation. After earning a degree from the College, Valentin enrolled at Albany College of Pharmacy and Health Sciences—Vermont Campus to pursue a Doctor of Pharmacy degree. She finished her doctorate in May 2014 and is now completing a post-graduate pharmacy residency at Walmart’s corporate headquarters in Arkansas.

The Carol McKinley scholarship allowed me to attend Delaware County Community College without having to take out loans for my first two years. I am forever thankful for the opportunities that have come my way since attending the College.

As a Natural Science major, Amanda Valentin was able to focus on her studies and pursue a career in pharmacy with some help from the College’s Educational Foundation. She finished her doctorate in May 2014 and is now completing a post-graduate pharmacy residency at Walmart’s corporate headquarters in Arkansas.

“your Advantage: Scholarship Opportunities

Secure Your Future with a Scholarship

Delaware County Community College’s Educational Foundation awards more than $200,000 in scholarships annually from 125 separate scholarship funds. Scholarships are established by philanthropy-minded individuals, companies and foundations, and do not have to be repaid. They are available to a wide variety of majors and for students with unique circumstances. The scholarship application process runs from February through April each year. All students are encouraged, etc. to review eligibility requirements and apply as directed. For a full listing of all of the scholarships and awards presented by the Foundation, as well as instructions on applying, visit www.dccc.edu/scholarships.

Students Explain How Their Lives Were Impacted by Scholarships

Visit www.dccc.edu/scholarships to watch Delaware County Community College students explain how their educational lives were impacted by a scholarship from the Educational Foundation.
Students should apply to the College and for Financial Aid at the same time.

**Important Registration Dates***

**October 27:** Winter and spring registration begins for current students  
**November 10:** Winter and spring registration begins for new and readmitting students  
**December 16:** Last day to register for winter courses  
**December 19:** Winter classes begin  
**January 14:** Last day to register for spring classes  
**January 20:** Start of spring classes and first-accelerated term  
**March 23:** Start of mid-semester accelerated term

www.dccc.edu/register

*Dates subject to change.

**It’s a Fact...**

- Students enrolled in college full time have a better chance of completing their degree.
- Utilizing financial aid is the best approach to academic success.
- The main reason students do not complete their degrees: Work gets in the way.

**Questions?**

Visit www.dccc.edu/admissions, or call 1-855-DCCC-NOW (1-855-322-2669).

**your Advantage: Open Admission**

The College offers rolling and open admissions to anyone with a high school diploma or GED and the ability to benefit.

**How to Apply**

[www.dccc.edu/apply](http://www.dccc.edu/apply)

1. Complete the Application for Admission at [www.dccc.edu/apply](http://www.dccc.edu/apply) and the Free Application for Federal Student Aid (FAFSA) at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). New students may apply for admission online or download an application. High School Dual Enrollment, readmitting and international students must complete and submit a paper application.

2. Check your mail. In about a week, you will receive an acceptance letter, welcome packet and instructions on how to access delaGATE, the College’s official online portal.

3. Log in to delaGATE ([delaGATE.dccc.edu](http://delaGATE.dccc.edu)) to review your financial aid status, schedule placement tests, access your College email account and more.

4. Attend a college planning session to review your placement test results and register for classes with an advisor’s help.

**Have Questions About Financial Aid?**

Visit [dccc.financialaidtv.com](http://dccc.financialaidtv.com) to access the College’s Financial Aid TV channel where you can watch short videos about the Financial Aid process. This new feature helps students get quick answers to many common Financial Aid questions.

Register Now! Visit www.dccc.edu/register or call 1-855-DCCC-NOW (1-855-322-2669).
The College offers several options for students who need assistance paying for college:

- Federal and State Grants
- Scholarships
- Work Study
- Payment Plans
- Student Loans

Step-by-Step Guide to Applying for Financial Aid

1. File your income tax return as early as possible.
   View 7 Easy Steps to the FAFSA tutorial:
   [www.finaid.ucsb.edu/FAFSASimplification/index.html](http://www.finaid.ucsb.edu/FAFSASimplification/index.html)

2. Within 2-3 weeks of filing your tax return (4-6 weeks if paper filed), complete the Free Application for Federal Student Aid (FAFSA): [fafsa.ed.gov](http://fafsa.ed.gov). To simplify the process, use the FAFSA IRS Data Retrieval tool to automatically import official tax information. View a tutorial: [http://youtu.be/9ZNRdk3iXeM](http://youtu.be/9ZNRdk3iXeM)

3. List Delaware County Community College’s code on the FAFSA: **007110**.

4. Look for an email from the U.S. Department of Education and follow the directions to view your Student Aid Report. Review the report carefully and make corrections if needed.

5. Look for communication (paper or email) from Pennsylvania Higher Education Assistance Agency (PHEAA). (This information applies to state financial aid only.)

6. Within 3–6 weeks check your financial aid status through delaGATE ([delaGATE.dccc.edu](http://delaGATE.dccc.edu)), which is the College’s web portal used for all communications to you. Check it often for important information about financial aid and to view announcements and emails.

7. Additional documentation or action may be required to finalize your financial aid. Check delaGATE frequently to stay informed. Respond immediately!

For assistance from a financial aid advisor, call 610-359-5330 or email finaid@dccc.edu.

**NOTE:** Students who do not fully complete the entire financial aid process, including submission of any additional documents, by the deadlines will be required to go on our payment plan to hold their classes while aid eligibility is finalized.

---

**Financial Aid Deadlines**

**January 1:**
FAFSA form available online
(The best time to submit your FAFSA is two weeks after you file your taxes)

**April 1:**
Priority deadline for FAFSA and all financial aid documents for Summer I and Summer II classes

**April 15:**
Scholarship applications due

**May 1:**
PHEAA deadline for returning students

**July 1:**
Priority deadline for FAFSA, Federal Direct Loan Program and all financial aid documents for fall classes

**August 1:**
PHEAA deadline for first-time FAFSA applicants (but you should meet the July 1 priority deadline)

**November 1:**
Priority deadline for FAFSA and all financial aid documents for spring classes

**Helpful Resources**

CLUBS AND ACTIVITIES

Students can participate in more than 25 clubs and organizations, including band, a political science club and a Women in STEM club.

EVENTS

Each semester, the Campus Life Office hosts events, performers and speakers ranging from poets and dance troupes to business leaders and government representatives. The annual Multicultural Festival is scheduled for November 13 on the Marple Campus. This event exposes students to the food, music and customs of countries all over the world.
SPORTS
A range of athletic options is available to students, including intercollegiate sports, clubs and intramurals. Intercollegiate offerings include: baseball, basketball (men’s and women’s), cross-country (men’s and women’s), golf, soccer (men’s), track (women’s) and volleyball (women’s).

WORKSHOPS
The College offers a variety of workshops on everything from leadership, career guidance, diversity and more. Through the Directions workshop series, students can earn a certificate for attending a designated number of workshops. Upcoming fall workshops include interviewing strategies, managing stress and résumé writing.
