## How to Find your Textbooks

### IN-STORE

- Please bring a ***copy of your registered courses and sections*** or have ***access to Delagate to view your schedule*** in-store so we can assist with locating your course materials.
- Textbooks are organized in-store according to course in alpha numerical order by course, course number and section (***example: ENG 101 04***)

### ONLINE

- Go to our website at [www.dccc-shop.com](http://www.dccc-shop.com) with a copy or access to your registered courses, ***choose the category Books or Textbooks*** and select your course, course number and section (***example: ENG 101 04***) to see your booklist. (Please repeat for each course)
- **We suggest shopping for your books online as soon as you register for classes.** Even if we have not yet received the book “adoption” from the instructor, you can sign up to receive a notification when the book becomes available.
